Notification of Intent to Exercise Option Year 3

Dear Mr. Will:

The purpose of this letter is to notify you of the Government's intent to exercise Option Year 3 for the subject contract. This notification does not commit the government to exercise the pre-priced option nor does it in any manner obligate government funds against the subject contract.

If the option is exercised by the government, it will be accomplished via a bilateral modification. The modification will specifically identify the option period of performance/quantity and contract amount.

This modification includes updates made throughout the Option Year 2 that were communicated through CROWN Memorandums.

CMS does not anticipate any cost impacts from the above mentioned changes. If you have any questions or concerns, please contact your Contract Specialist, Jonathan Chattler in writing at Jonathan.Chattler@cms.hhs.gov by October 18, 2018.

Sincerely,

Kelley Williams-Vollmer
Contracting Officer
